FINANCING OPTIONS

If you choose to finance the TEC Residential Optimization System for your home:

1. A simple application will need to be filled out at the time of the order.
2. You can choose either 36 month, 48 month or 60 month financing.
3. The monthly energy savings from the system will usually pay for most, if not all of the monthly payment.

If you decide to finance the Total Energy Concepts Residential Optimization System, you can do so by applying directly with the TEC representative at the time of placing your order.
